

SSAA FRASER COAST BRANCH inc.
SUMMARY of RIFLE RANGE STANDING ORDERS
For all Shooters.

1. The range officer is responsible for range safety and his or her instructions must be followed at all times.
2. You must treat every uncased firearm as if it is loaded at all times. That means you must point the muzzle in a safe direction. A safe direction is usually pointing upwards unless you are at the firing line where the muzzle may be pointed down range.
3. All persons report to the Range Officer whose name is on the BOARD and sign the correct ATTENDANCE REGISTER BEFORE getting any gear out of the car.
4. Firearms [unless they are enclosed in a gun bag] can only be taken to the firing line when the range is open for shooting that is when the FLAG is DOWN.
5. Firearms when carried MUST be pointed in a safe direction usually UP.
6. Firearms must be in a safe condition at all times.
7. Firearms or ammunition may be denied use on the range at the Range Officers discretion.
8. If you have any problems signal the Range Officer immediately.
9. Unsafe practices or unsafe firearms to be reported to the Range Officer.
10. FLAG signals to be obeyed on the firing line;
 DOWN - shooting in progress
 UP - safe to proceed down range when Range Officer signals.
11. During a Range Closure stand BACK from the BENCHES and no handling firearms and ammunition.
12. Notify Range Officer if proceeding beyond 100m and report back on return.
13. Only shoot at approved targets at approved distances.
14. Targets to be fixed ONLY to frames ensuring the target is not in front of the wooden supports and ensure bullets enter earth backstop.
15. Ensure you are in line with your target NO CROSS firing.
16. ON Sighting & practice days load no more than 5 rounds.
