Range Location Narrative

The SSAA shooting ranges are located within the Fraser Coast Shooting Complex which is situated between Maryborough and Hervey Bay.

The usual approach is to travel along the Maryborough - Hervey Bay Road to Dundathu and turn into Churchill Mine Road. (There is a sign to the Shooting Complex at the intersection.)

The Shooting Complex is approx. 9.5 Km along the dirt road on the left and is numbered 933.

Once inside the Complex, proceed straight ahead to the SSAA facilities.

Alternatively, the Complex may be approached from the northern end of Churchill Mine Road which intersects the Hervey Bay - Torbanlea Road about 1 Km outside Torbanlea township. The distance to the Complex entrance from this direction is approx. 11 Km.
